Ministry of Education (MoE) Govt. of India, Innovation Cell respectively

STARTUP AND INNOVATION CELL:

Startup means an entity, incorporated or registered in India not prior to five years, with annual turnover not exceeding INR 25 crore In any preceding financial year, working towards innovation, development, deployment or commercialization of new products, processes or services driven by technology or intellectual property; provided that such entity is not formed by splitting up, or reconstruction, of a business already in existence.

Innovative idea involves great risk and developing the spirit of entrepreneurship and innovation is an uphill task

The Startup and. Innovation cell at SIBACA aims to create an ecosystem that brings together its students as young aspiring entrepreneurs by nurturing and empowering their new and growing startups. The cell aims aspiring to help these entrepreneurs coordinate and synergize various strands of excellence, innovation and entrepreneurship and turn their ideas into action; thereby producing more job creators and social reformists.

Startup and Innovation Cell ecosystem includes faculty, staff members, students, alumni and invitee members from industry that can translate knowledge and technological innovations to the societal development and economical growth of the Nation.

**Dr. Anil Nagtilak
Director, SIBACA**

OBJECTIVES:

1. Build an innovation and entrepreneurship mindset in their students.
2. Create an awareness among the campus students about the various product development facilities and resources in the camps.
3. Create a bunch of enthusiastic students with an entrepreneurial mindset.
4. To create awareness about entrepreneurship by periodically organizing workshops, lectures and other activities by entrepreneurs and IPR (Intellectual Property Rights)
5. Encourage students to participate in state and national level competitions to give an exposure to the students on various innovation and startup activities happening nationwide.
6. Organize competitions in the institute on innovation ideas to inculcate the spirit of innovation and entrepreneurship among the students.

POLICIES OF STARTUP CELL:

1. Institute will facilitate the startup activities/ technology development by allowing students faculty/ staff to use institute infrastructure and facilities, as per the choice of the potential entrepreneur in the following manners:
 - i. Mentorship support on regular basis.
 - ii. Facilitation in a variety of areas including technology development, ideation, creativity design thinking, fund raising, financial management, cash-flow management, new venture planning, business development, product development, social entrepreneurship, product costing, marketing, brand-development, human resource management as well as law and regulations impacting a business
2. Institute may link the startups to other seed-fund providers/ angel funds venture funds or itself may set up seed-fund once the incubation activities mature.
3. Participation in startup related activities needs to be considered as a legitimate activity of faculty in addition to teaching, R&D projects, industrial consultancy and management duties and must be considered while evaluating the annual performance of the faculty.
4. Every faculty may be encouraged to mentor at least one startup.
5. Product development and commercialization as well as participating and nurturing of startups would now be added to a bucket of faculty-duties and each faculty would choose a mix and match of these activities (in addition to minimum required teaching and guidance) and then respective faculty are evaluated accordingly for their performance and promotion.
6. Start-up: Launching and Sustaining' program: AICTE has launched the 'Start-up: Launching and Sustaining' program to promote entrepreneurship.

Apart from the conduct of various activities at SIBACA, following activities were also undertaken:

- a) **Establishing Industry Connect:** Communication with various companies done for their cooperation and support these activities.
- b) **Entrepreneurial Skill Building Module:** Entrepreneurial skill building module designed by SPPU is available in curriculum. Generic core subject viz. “Start up and New Venture Management” is available for semester 3 of MBA course.
- c) **Case Studies:** Case studies on entrepreneurship are given to students for study. Sample case study with solution by students is available in file.

Sinhgad Institute of Business Administration and Computer Application (SIBACA), Lonavala has conducted a Online Seminar on “National Intellectual Property Awareness Mission 2.0 (NIPAM)” on 13th April 2023 at Seminar Hall, SIBACA. 91 students across the college have actively participated in this Seminar.

The Chief Patron of the Seminar was Dr. Nitin Shukla Principal Scientist and Head- Intellectual property Group of CSIR- NCL Innovations. Dr. Vidya Nakhate, Director SIBACA Formally welcomed the Guest of the Seminar Dr. Nitin Shukla.

The core objective behind organizing a Seminar was to help participants to understand the importance of IP, its various types, and the legal protections available for creators and inventors and to help to foster a culture or respect for Intellectual Property Rights, which is important for promoting innovations and creativity.

Dr. Nitin Shukla has briefly introduced about the Intellectual Property Rights, their principles and also how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system. Complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc was given. Also the speaker explained the difference between these topics, also the validity for each right, judicial laws available under each right & the limitations of each right.

The session was well structured, conducted eloquently and strengthened the knowledge of the participants. The workshop received a lot of positive feedback from both students and faculty members. There were 96 enthusiastic participants in total, who took part in the Seminar. An Assessment activity was conducted under which an online quiz was held. E-Certificate were also awarded to the participants. The workshop was concluded with formal vote of thanks by Dr. Vidya Nakhate, Director SIBACA.
